

**LEARNRITE SHS SUPPORT PROGRAMME
(WASSCE/REMEDIAL)**

BROCHURE

ABOUT THE PROGRAMME

The **LearnRite Senior High Support Programme** is a hybrid (a blend of online / traditional) tuition that specializes in providing additional support and instruction to students in Senior High Programme who are struggling academically to pass their WASSCE especially in Science Subjects. Our aim is to help students overcome academic challenges, build confidence, and achieve success in their studies.

The Programme is structured in such a way that it begins by conducting comprehensive diagnostic assessments to identify individual learning gaps. The objective of this is to create personalized learning plans tailored to each student's needs, focusing on addressing specific weaknesses. We are committed to offering interactive and engaging learning resources. This includes multimedia lessons, educational games, and simulations to enhance the learning experience and make it more effective.

LearnRite places a strong emphasis on providing **QUALITY SCIENCE TUTORING** which prepares our students adequately for science education at the tertiary level. We provide our students with regular feedback on assignments, assessments, and their overall progress through the **LearnRite EdApp**.

The EdApp empowers our students with insights into their strengths and weaknesses, facilitating a better understanding of their academic performance. We provide parallel academic support to regular (Borders/Day) and Remedial science students in High Programmes to prepare adequately for WASSCE.

Whilst enrolling in this programme, we usually prefer our students to stay home during vacation. This allows us to maximize engagement with the students and cover a broader range of topics.

OUR TEACHERS

MR. PAUL ATTAKORAH
AUTHOR, ATTA KAY PHYSICS

HON. WILLIAM A. QUITOO
AUTHOR, KOV'S CHEMISTRY

PROF. DOMINIC OTOO
AUTHOR, CONCISE MATHS

MR. SAMUEL DUMELOO
AUTHOR, MEGA BIOLOGY

MRS. MARGARET DWOMOH
CO-AUTHOR, APPROACHERS

PROF. ABK DADZIE
LECTURER, UNIV. OF GHANA

OUR TEACHING ASSISTANTS (TA'S)

We have well trained Teaching Assistants (TA's) who provide additional support through one-on-one sessions, group discussions, or virtual classrooms to address specific questions and challenges students may encounter in their studies of LearnRite videos. They provide guidance, support and make sure students are ready to Register, Write and Pass WASSCE irrespective of their location.

SUBJECTS

Elective Subjects

-  Chemistry
-  Biology
-  Physics
-  Elective Mathematics

Core Subjects

-  Core Science
-  Core Mathematics
-  English Language

COST OF PARTICIPATION

1. Registration is FREE
